Since we have been supporting scooter racing for many years now, we would like to offer you as an active driver of the ESC selected and interesting products for racing at a discounted price!

Would you like to use our exclusive ESC discount on selected articles? Then just write an E-mail

- to [motorsport@scooter-center.com](mailto:motorsport@scooter-center.com)
- with the subject „ESC discount“
- and your customer number to set up the ESC discount level.

If you are not yet a customer of ours, we need the following contact information from you:

- first name, last name
- Street
- Postcode, City
- Country
- Phone number
- E-mail address

As soon as your customer number has been changed to the new discount level or we have created you as a new customer, you can buy the discounted items in our shop. The shopping process remains completely normal for you.

A combination of discounts is unfortunately not possible. If you are already registered with us, for example as a retailer, we cannot grant a combined discount at this discount level.

Our Scooter-Center newsletter will inform you about the exclusively discounted articles before the season starts!
