Dear ESC-guys,

According to the Corona regulation as of June 7th, 2021, there are further relaxations

However, something can change every day, which is why we are very cautious about the information about the regained freedoms.

Here are just a few in brief:

- all persons are registered
- negative test, confirmation of vaccination or recovery must be carried. Quick tests will be offered upon admission.
- The hygiene concept must be signed
- “AHA rules” must be adhered to without exception

Please also note §4, paragraph 3

Since the incidence values can change daily, we ask for your understanding if we have to unload the visitors at short notice and only allow the registered drivers for the race, as well as the registered helpers.

Thank you for your understanding
